CECOS1CD, Version 789.1.4, 18 January 2002 (Volume One)

CECOS2CD, Version 789.2.4, 18 January 2002 (Volume Two)

This CD-ROM set provides the user with readily accessible information to properly plan and execute duties as necessary. The information on these CD's is considered accurate only as of the date of its creation. Users should verify that the information is current as the information is always subject to revision. Look for any "readme" files

and READ THEM FIRST. The Standard Subject Identification Code (SSIC) of the instruction

with the letter series is used as the basic file naming convention. (OPNAVINST 6110.1F

would be 6110_1F.PDF)

Recommended additions/deletions/corrections to the CD's should be sent to:

Prth-code12@navy.mil. Please provide the link to the site and why you think the change would benefit the users of these CD's.

The listings below provide a summary of the information on the CD's. Most of the files

are provided in as PDF's (Portable Document Format), a current industry standard for

distribution of information. Please use the latest version of the Adobe Acrobat Reader

software to view and print the PDF files. The software is available free at
